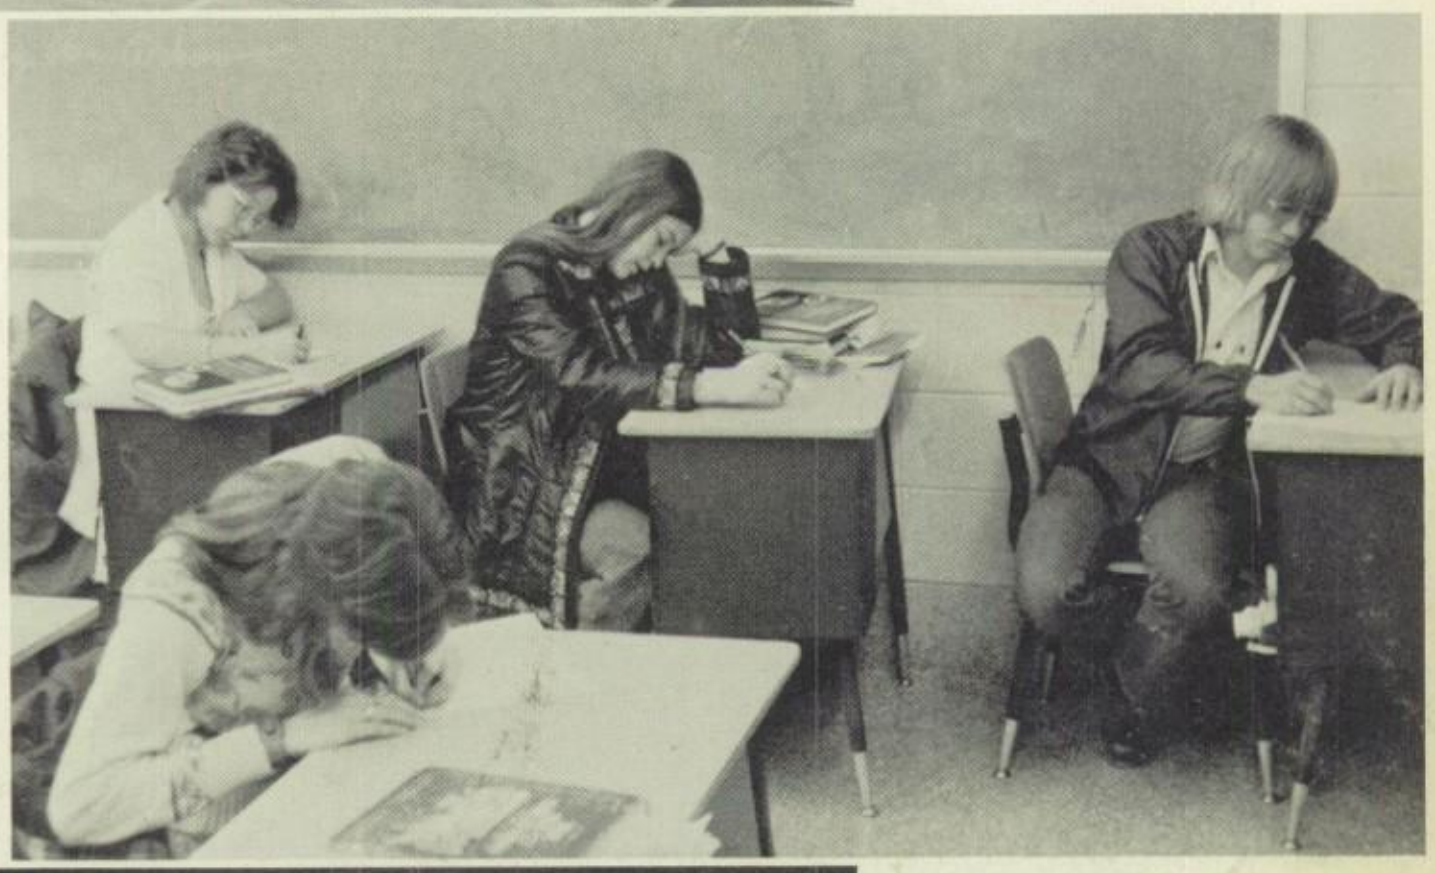
The spirit of D.H.S. is exemplified by fall activities!!!

"Spirit of 76"

M
e
a
n
s

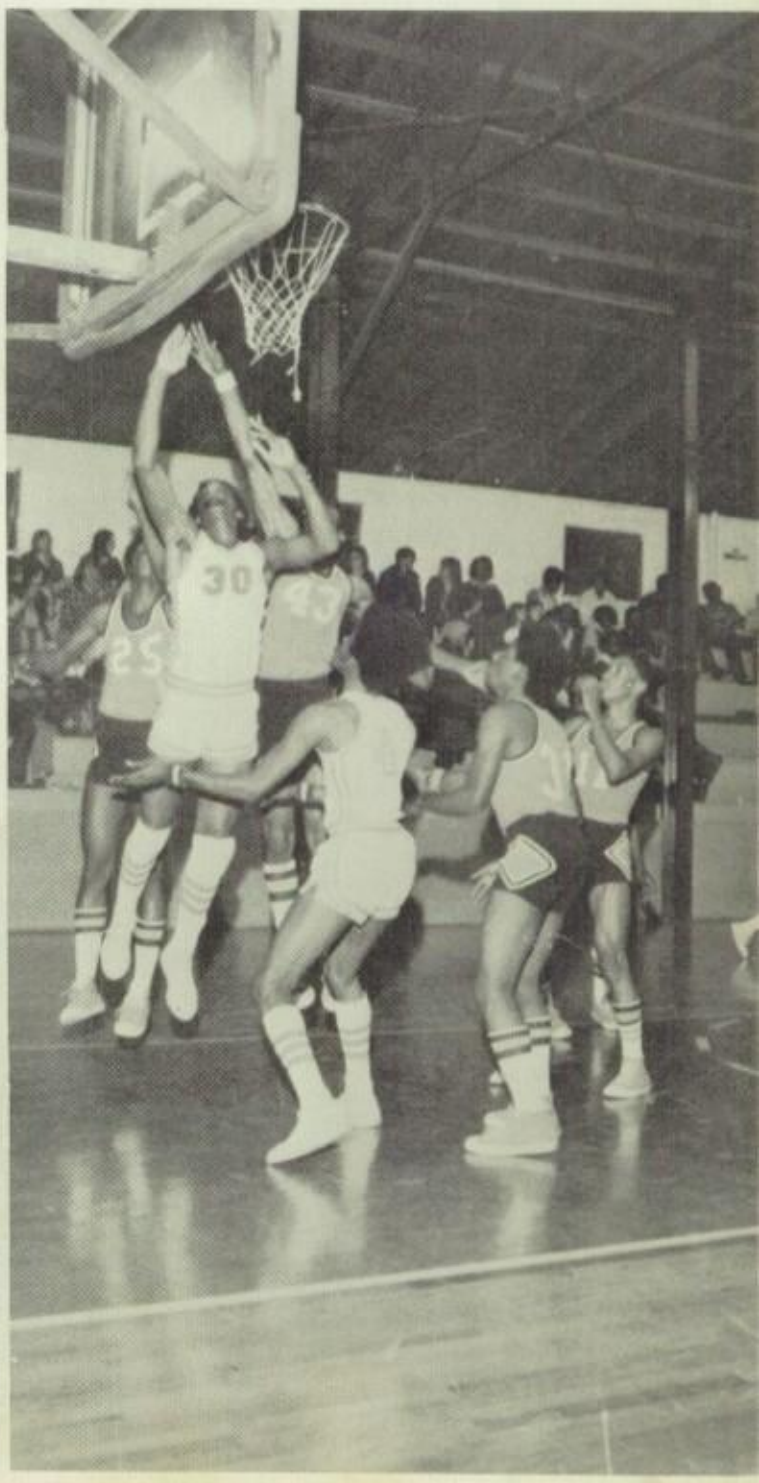


Showing enthusiasm at activities by attending them regularly, by showing classroom participation,

and by taking part in extra-curricular activities!

OUR HERITAGE

During this bicentennial year we are looking at our national heritage. Our school is a part of our heritage, and one that too often, we take for granted. Perhaps, as you look through these pages you will become more aware of the heritage that we have at Delta.



School Board Meets the Challenge of Better Education

There is no pay connected with the job of serving on the school board and very often little appreciation is shown for the hours of hard work put in by these men. They are responsible to the community for seeing that our school is run smoothly and that the best possible education is available for everyone. They are to be remembered for the part they play in our scholastic heritage in this bicentennial year.

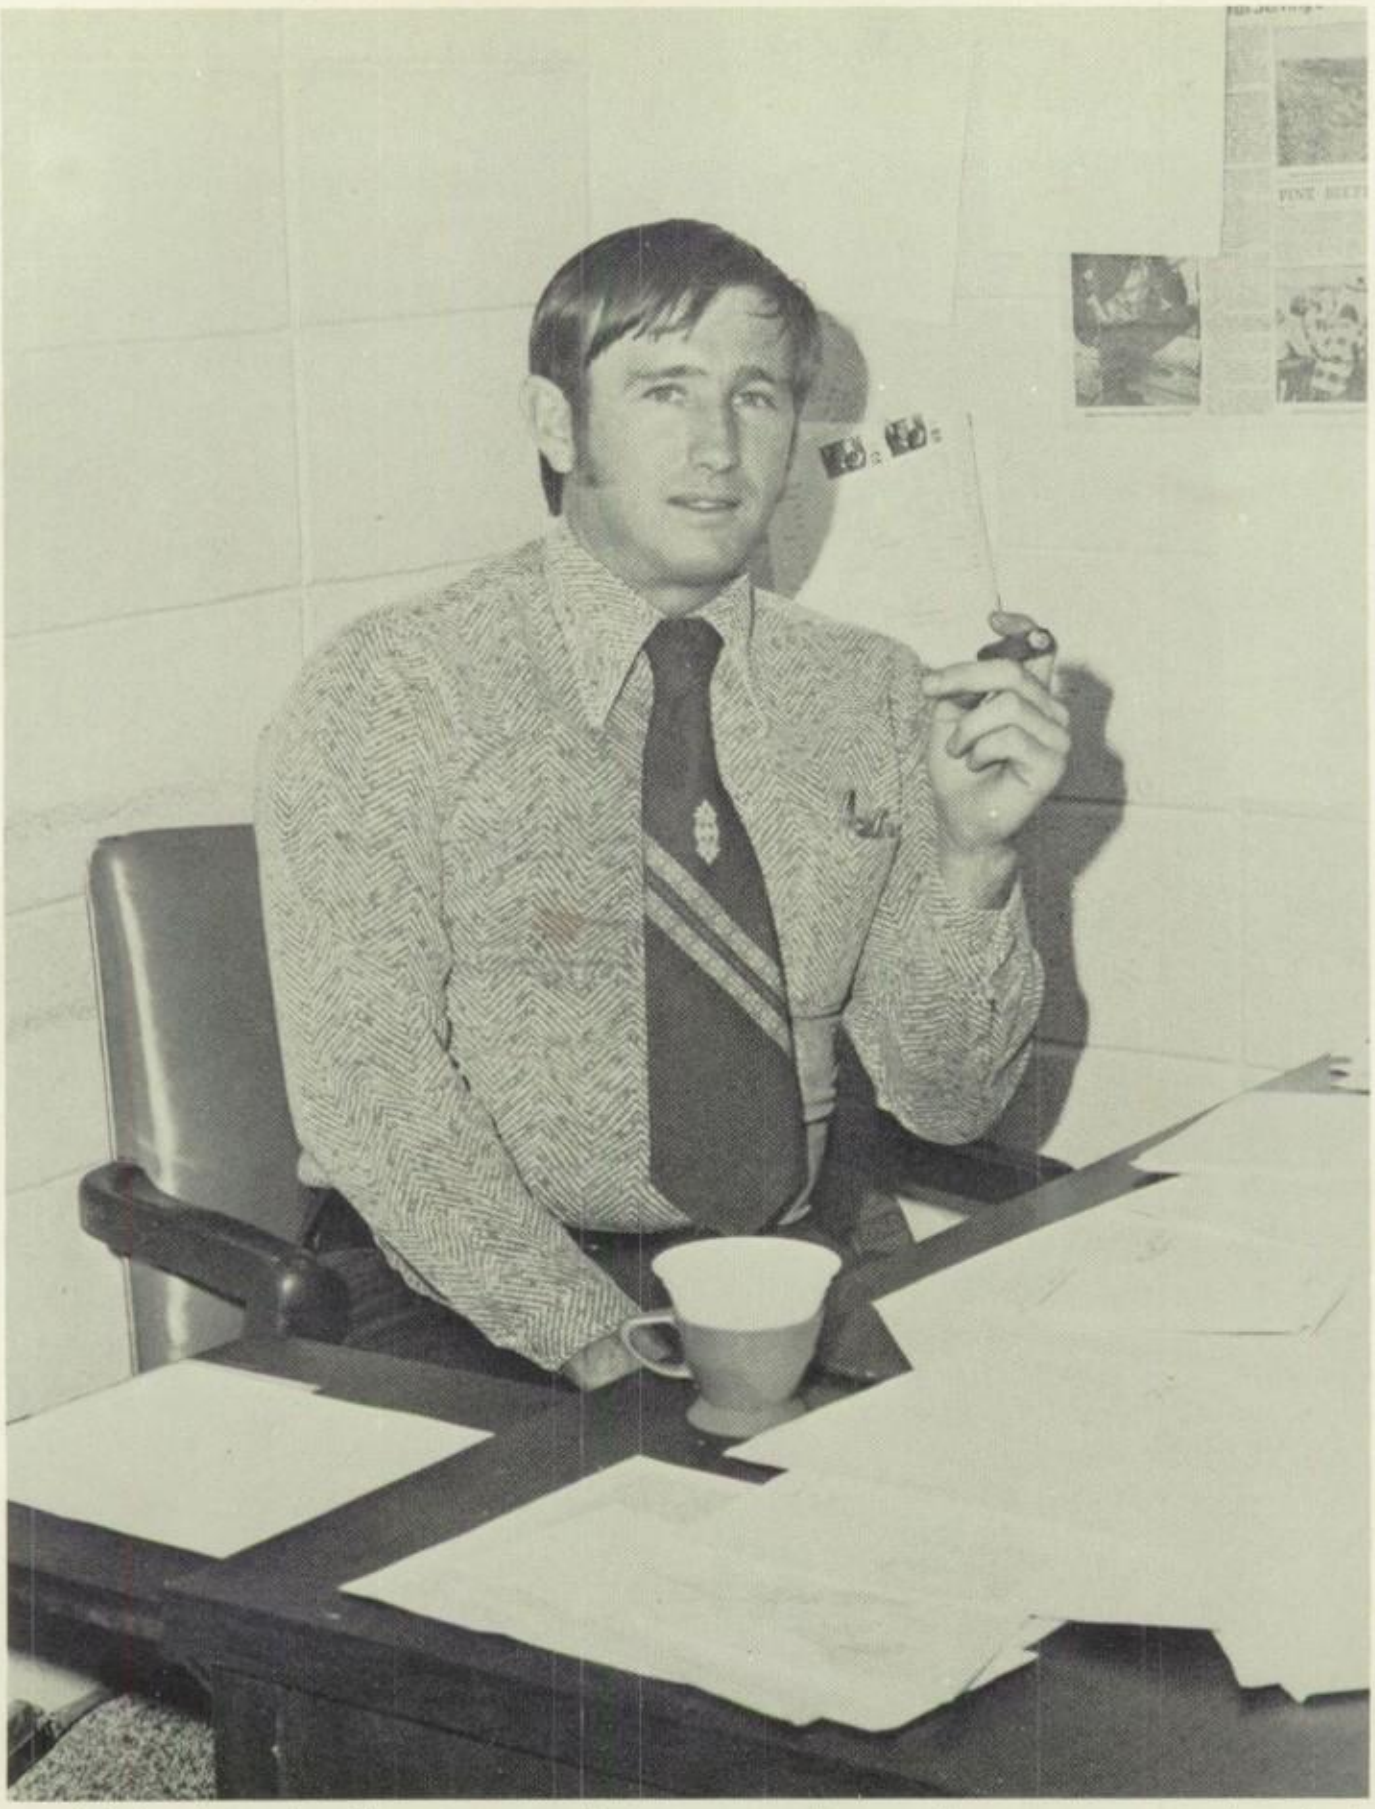
School District Welcomes New Superintendent

Mr. Robert Gunn

Mr. Robert Gunn, a man with many years in the school business, tackled his new position as Superintendent of Delta Schools with vigor and determination in the summer of 1975. If a school is to grow, it must be under strong leadership. Mr. Gunn is proving to have this. His enthusiasm for making this the best school in southeast Arkansas is apparent to students, faculty, and community.

Delta High Principal– Mr. Carl Hughes



It's hard to describe a person that everyone knows, because everyone has their own mental picture of that person. Possibly in years to come you might use these words to describe this person.

A HIGH SCHOOL PRINCIPAL IS . . .

C ourageous
A llergic to Monday Mornings
R esponsible

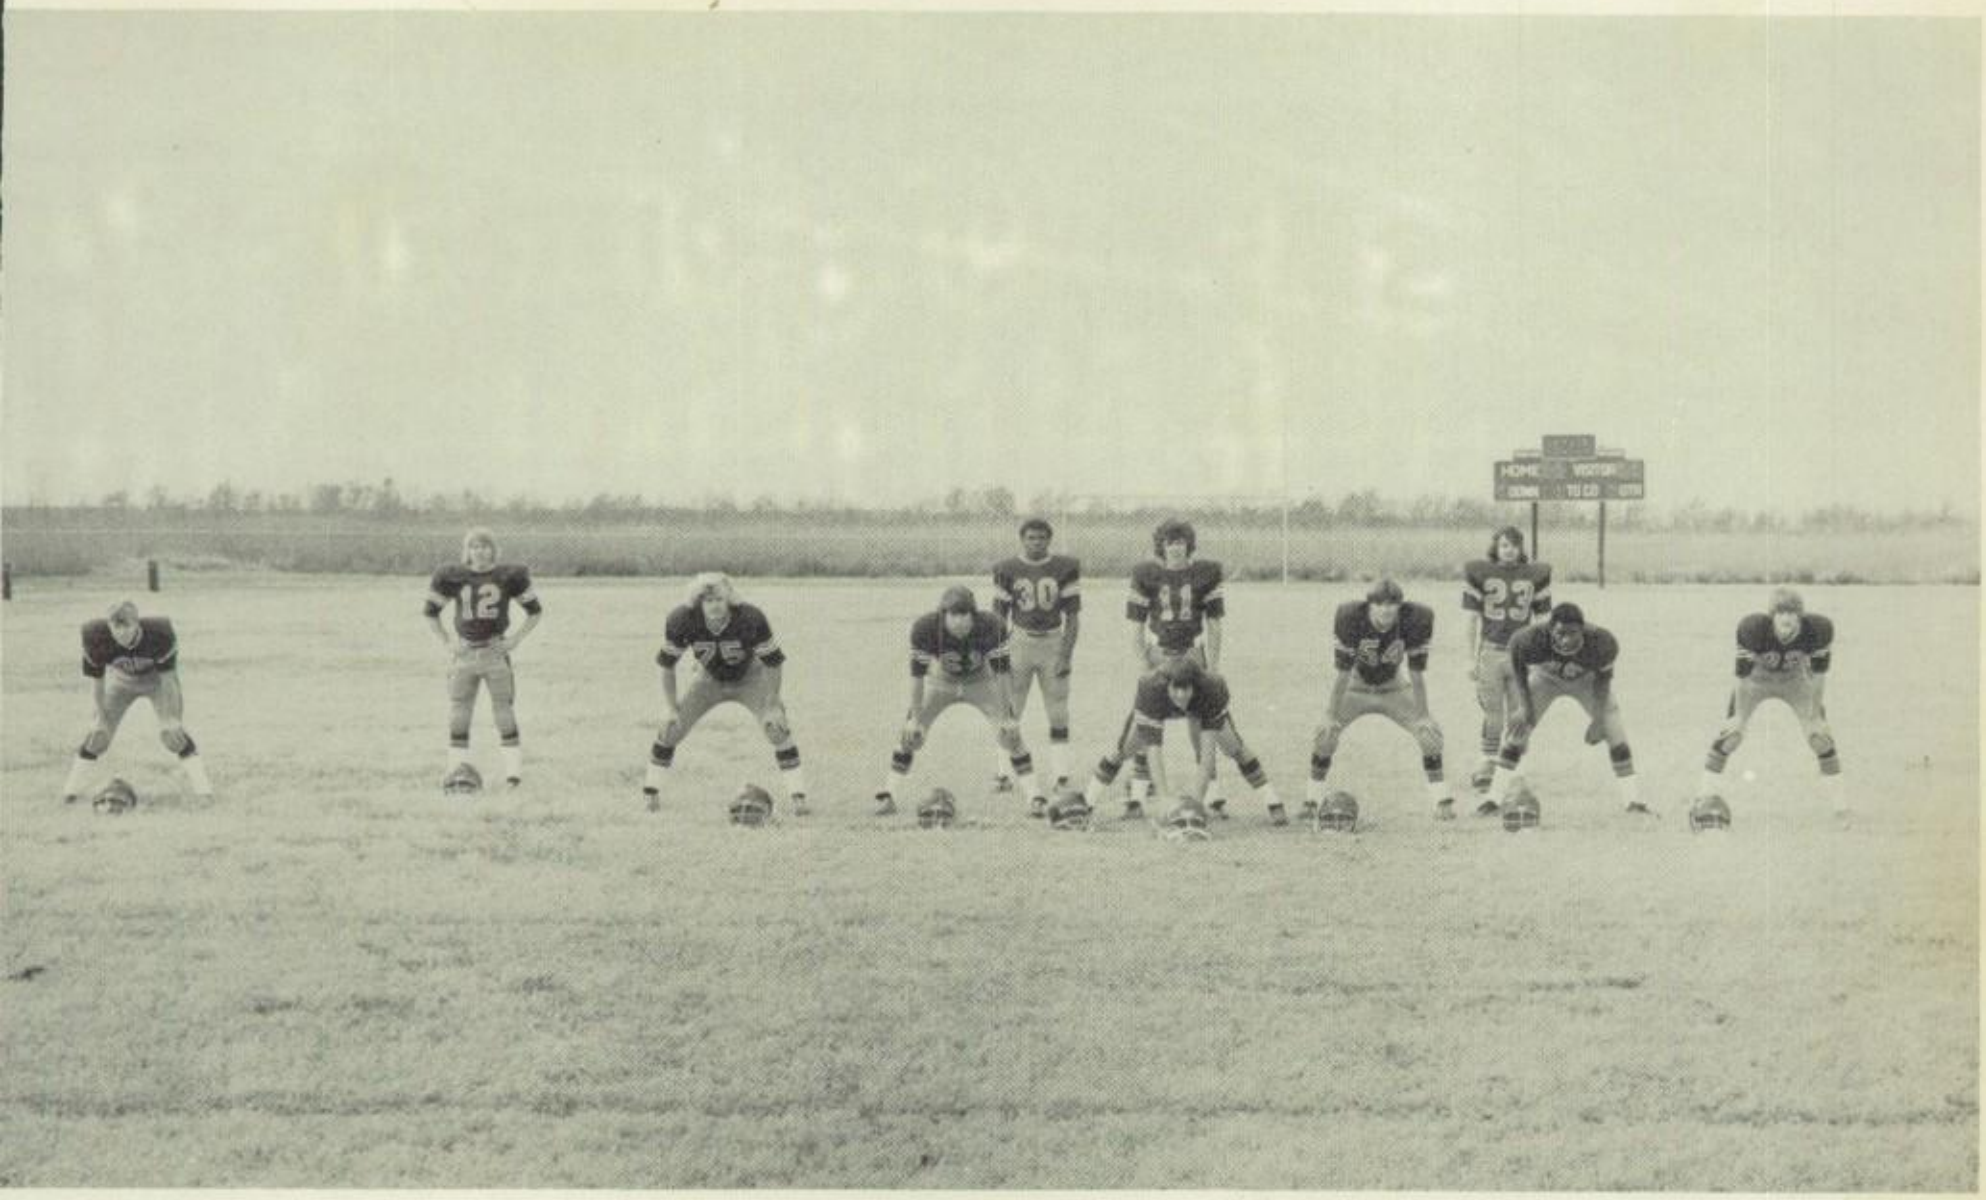
The Starting Offense



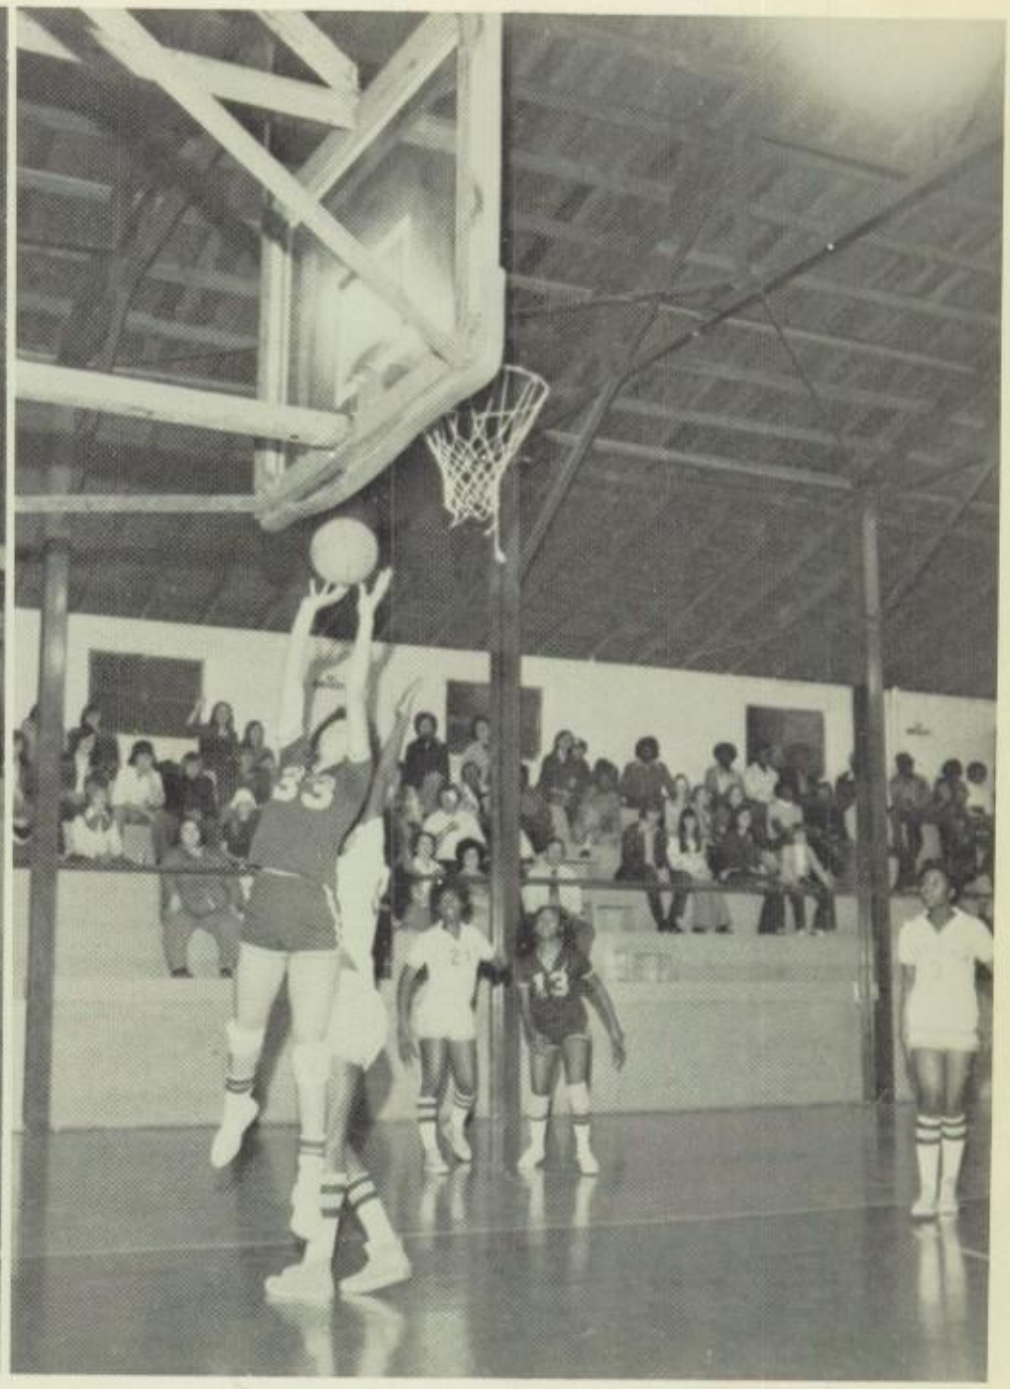
And Defense

Girl's Basketball Means a Winning Season.

Delta Senior Girls Win Bi-County Tourney.

The 75-76 Girls Basketball Season was very rewarding this year. This year's record was 13 and 8. The Bi-County tournament was won by our Sr. girls team. The trophy is shown above. After the Bi-County tournament, our girls went on to win the First place runner-up trophy at the District play-offs at Wilmot. We had four girls to make All District this year. They were Beatrice Freeman, Lois Phillips, Helen Mosby, and Glory Robertson. Elsie Hill and Jane Spratt, the other two starters, contributed much in the play-offs. Because the girls won First runner-up at the District play-offs, they went to the State play-offs held at West Fork High School. The girls were upset by Highland with the score of 41-37 in overtime.

Helen follows up for the rebound.



Beatrice goes up for two more points.

Excitement on the Court

The forwards work the ball for their victory over Tillar.

Desha Central Elementary Princpal

Mr. Richard Smith

The Desha Central Elementary school is under the leadership of a man who brings dedication and wisdom to his job. No one but the man behind the desk understands the countless hours spent in conferences with teachers, parents, children; the mountains of paperwork, and the general pressures that go with the job of being a good principal.

This elementary school is indeed fortunate in having a man of Mr. Smith's caliber.

OUR ADVERTISERS

A word of appreciation must be said here to the many friends and merchants of the Watson, McGehee, Dumas, and Rohwer areas who willingly pay for ads in our yearbook.

Their generosity helps keep the cost of this book down for you, the student. We sincerely thank them and hope you take the time to show your appreciation.
